

Details to consider prior to *STATE FAIR* auditions

Before you sign up to audition, please review the following important information:

- Rehearsals take place 6-9pm, Monday-Friday, beginning May 8 through June 21.
- Some rehearsals may run past 9pm with consideration given to younger performers on school nights.
- Show dates are June 22, 23, 24 and 25. No absences are permitted.
- No absences are permitted from June 12-21 (on-stage rehearsals). Those rehearsals may run past 9pm.
- Not all cast members are called to rehearse each night, and it may be possible to work around some conflicts in your schedule. Missing too many rehearsals, however, may lead to removal from the cast so you will not want to have any major, on-going conflicts in your schedule.
- List all known conflicts on your audition form including school concerts, graduation commitments, known travel plans, work schedules, and anything else that might require you to miss a rehearsal. You can update this information at your audition.
- There may be call-backs after the initial auditions on March 16 and 18. You may be under consideration for a role even if you are not called back. Casting is anticipated to be complete by March 27. Notifications will be made via email.

College Students who wish to audition but cannot attend audition dates may arrange a Skype audition on Thursday, March 16th or Saturday, March 18th. Special consideration to miss the first two weeks of rehearsals may be given to college students if their school is still in session. Contact Jayne with any questions at Jayne@HonorsChoirs.org.

The audition will be in three parts—vocal and dance, plus readings for those who wish to be considered for a principal role. Specifics to help prepare for the audition will be provided along with audition date/time details.

We encourage all within the age requirements to audition (current grades 9-12, college students, adults of all ages). Casting for all roles will be made without regard to race, color, national origin, creed, disability, gender or sexual orientation. Affiliation with Honors Choirs of SE MN is not required.
